SCM's 6 Month Membership

SCM Membership, is a limited, monthly 6 month membership, for highly intuitive, highly spiritual, mamas who wish to connect to Spirit, their lives, and their children in a way that helps them align into the inner transformation that they've been searching for.

The next 6 months are dedicated to helping you find powerful alignment and sisterhood.

Each month, created in a way that will grow with the month before it, so that you can evolve through this experience, while you shed the things that you're looking to release, so that you can begin to live the life that you're been desiring.

Month 1:

Entering the Womb: Healing in Silence

A month dedicated to learning and understanding what's
ruminating within you.

I know, you want to create, live the life, and manifest your desires...
me too.

The thing is, in order to do this, we must first know and
understand what's lingering and floating within our deeper selves.

How we're we talk ourselves, so that we can see, what's there, and
change what doesn't work, into something intentional and fruitful.

You will learn how to observe the shifts. The importance of self
reflection, and tune into your way of processing life.

Month 2

Your Spiritual Tools: With You, Your entire life.

This month, is to connect you to deeper to your spiritual tools, and to what they are.

There are many tools, available that connect us to Spirit and deeper into the spiritual aspects of life.

With so many things out there, it can be hard to find the right one for you.

This month, will connect you deeply, to your personal tools, you'll learn about others, and help you learn how to use them more effectively.

The best way to use them, to maximize, heighten, and connect you deeper to your spiritual practices.

Month 3

Spirituality: Living a life that is spiritual.

Living a life that is spiritual.

It's easy to lose the deeper understanding of what leading a Spiritual life, looks like in our life.

It may be because we get lost in our tools.

Sometimes, life gets in the way, but when you know how to flow, it's easy to find Spirit in all this stuff that comes up.

This month you will find flow and awareness, while using your tools, to guide you into connecting Spirit and life.

This month will help you allow a life that is Spiritual.

Month 4

Unlocking Your Ancestry: Unlock the lessons take the Jewels

This month will help you learn how to tap into your ancestry, where you came from, and things from generations past, so that you can leave the sorrow, take the lessons and transform them into jewels, that will bless you and your children.

If you have a practice that connects you to your ancestors or want to learn how to deepen into this, this month will activate the lessons into your life.

Month 5

Spiritual Guidance for Your Children and Family

There is a part of you that knows that you're the spiritual nexus in your home.

You know that you desire to guide your children in ways that brings out the potential within, and that unlocks the best in them.

You understand that in order to guide them, you must be aligned yourself, and you're willing to do the work.

This month, will connect you back into that space that knows the answers to HOW to guide them from the heart.

And you will also learn what this mean in terms of your family life.

Month 6

Alignment: Healing and Transformation

There is a lot of confusion around this topic.

This month we will pick apart the jargon, so that you can understand how you're already healing.

Learn how you're already actually aligning, so that you can start getting out of your own way.

You're putting together all of the months, and connect to the journey that you've discovered through the 6 months.
